About US

LaxRee is a brand that prioritizes customer satisfaction and sustainability in providing hotel amenities. We noticed a significant gap in the market for affordable and eco-friendly hotel amenities, as high-end options were often too expensive for many hoteliers to maintain within their budget. This inspired us to create a brand that offers quality, trendy, and budget-friendly furniture and amenities to entrepreneurs in the hospitality industry.

Our team consists of hospitality industry experts who are passionate about delivering exceptional customer service. We work tirelessly to ensure that our customers receive only the best quality amenities and furniture that meet international standards. As a one-stop option for hoteliers looking for quality amenities, we are committed to maintaining our position as the go-to brand.

In keeping with our commitment to customer satisfaction and sustainability, LaxRee offers eco-friendly hotel amenities that minimize environmental impact while maintaining exceptional quality. Our aim is to build a well-loved brand that is synonymous with exceptional customer service and a commitment to sustainability. We are dedicated to providing sustainable, affordable, and high-quality hotel amenities that meet international standards. Thank you for choosing LaxRee as your go-to brand for hotel amenities.
